## International Client Services

## Cyprus Business Establishment

*Thinking of operating a Cyprus company?*

There are many advantages to operating a Cyprus company, and if you have been considering doing so, take a look at some of the benefits:

**The lowest tax in the EU** with the standard corporate tax being 10%

**Investor friendly tax regime**

**No tax on profit** from trading in securities

Foreign beneficial owners of Cyprus companies, branches and partnerships are not liable to additional tax on dividends or profits over and above the amount paid or payable by the respective legal entities

**Profit made out of Cyprus is not taxable**

**An impressive network of Double Tax Treaties**

**Excellent banking system**

**Stable political and legal systems**

## What People Are Saying

“ ... I was very emotional and relieved...I am grateful for all your help in this matter. You have been fantastic!

That was perfectly explained...thank you very much!

Thanks for working so late for me. I appreciate it! Everything is clear now...

I have worked with Christophoros –in his capacity as legal advisor– on several cases, and every single time I was extremely satisfied not only with the final results but also with the professionalism with which he handled the whole process.

”
